Marrone discusses why working at AgraQuest is better than working at any other company.

Transcript

Well, OK, why would want to work for a company like AgraQuest versus Google? Let's see.. Remind me to pick on Google.. Oh, Google, maybe they're changing the world but maybe they are but we're, we're really changing the world, I mean.. Do we want to be, do you want to be part of something that is absolutely fundamentally changing the way your food is produced and making people healthier and the environment safer? This, this is what get's people jazzed up about coming to AgraQuest.. Those values again.. That's one set of values.. And it is amazingly exciting to be changing the way food is produced and I didn't realize how hard it was going to be with AgraQuest over the 11 years.. But 11 years later, it is amazing the change that's happening in agriculture to have Wal-Mart becoming the largest retailer of organic food is unbelievable so, that's that's why...
